

Registered **NDIS** Provider

After School Program

Do you have an NDIS package and looking for fun things to do on a Wednesday or Friday after school this term?

Pinarc's After School Program offers children with a disability the chance to join a supported social group and participate in interesting and exciting activities. We can provide 1:1 support if required.

Wednesday and Friday activities are detailed below. If you are already linked with Pinarc and would like to attend any of these activities, simply register your preferences for the term. For new participants please contact us as soon as possible to allow time for the intake process and development of a service agreement.

After School pickup is a part of this program. Transport fees are \$2.00 per session. Transport and activity fees will be invoiced at the end of Term.

Parent / carer pickup location and time will be: Pinarc Pennyweight, 222 Otway St South, 5:45pm - 6.00pm.
