

Independent Living Skills (ILS) program update March 2019

Term 2 sees the ILS program consolidate to two base sites, Golden Point and Bonshaw. The ILS program that has previously been delivered from the Pennyweight site will now be based at the Golden Point site. This is an important decision that we have carefully considered; moving from Pennyweight means that all ILS participants will now have access to a large well-fitted kitchen, multiple rooms for group and individual activities, better options for managing internal and external noise, and greater space for outdoor programs such as gardening and physical activity.

Customers who were previously choosing from the time table for the Pennyweight site should now select from the time table headed "Lions Golden Point." Staff and the range of activities have not changed and the two ILS programs operating from Golden Point will maintain their own identity.

A time table for term 2 activities in 2019 is now available and covers activities across all sites. You will be able to select the activities you are interested in, and what site you would like to attend. The following activities have an activity fee for each session, to cover materials, transport and entry fees:

- Community Access \$5.00
- Cooking \$3.00
- Introduction to Arts \$2.00
- Swimming at Pennyweight \$3.00
- Barista at Bonshaw \$2.00
- Woodwork \$3.00

Please clearly mark your first preference for each period you are attending. We will do our best to meet your first preference and will let you know if we need to change it. Our site coordinators and support team can be contacted on 5329 1371.

Invoices will be sent out for activity fees, if this causes difficulty, please contact me on 0407 156 941 to discuss options. If you have outstanding invoices, we will be unable to offer activities that have an activity fee, unless we have agreed arrangements in place.

In the meantime, please feel free to come and see or call me on 5329 1328 or 0407 156941.

Looking forward to seeing you all in term 2, 2019.

Sincerely,

Gary Humphrey
