

## Call for Expressions of Interest

**Pinarc are calling for expressions of interest from people with disability, their family members or advocates, to be steering committee members in the Tele-Support Project**

### About the project

This is an exciting opportunity to be involved in an innovative project that will make a real difference in the lives of people with disability.

We are thrilled to announce that Pinarc will receive funding to develop, implement, evaluate and share a new service delivery model that will provide a range of supports via video link, providing Victorian NDIS participants with greater choice of supports, as well as creating greater capacity for the existing workforce.

The project will be led by a steering committee which, at a minimum, will include 2 people with disability, their family member or advocate. The project will be developed and delivered by a project officer, who will be accountable to the CEO and the Steering Committee. This project is due to be completed by July 2020

### About the role

Members of the steering committee will be expected to bring their expertise and lived experience to the project. The role will involve guiding the project, ensuring key milestones are met, while delivering the project in a person-centred way ensuring Pinarc's values and vision are maintained.

The role will require participation in up to 10 steering committee meetings, which will be generally held during business hours. An honorarium will be paid to non-staff members of the steering committee.

### About you

- A passion for providing greater access and choice for people with disability
- An understanding of the role of a steering committee and project governance
- A willingness to work in a collaborative and consultative way with a focus on open communication
- Availability to meet during business hours, as determined by the steering committee

### Express your Interest

To express your interest in this position, please send an email to [careers@pinarc.org.au](mailto:careers@pinarc.org.au) outlining your interest in the project and the contribution you can make to the steering committee.

Expressions of Interest close 15<sup>th</sup> October 2019
