

Volunteer

Do you like an administration role with variety?

At Pinarc, we have a variety of opportunities for people to volunteer in our programs.

As a volunteer, you don't need any specific qualifications or experience, just a genuine interest and a willingness to share your skills.

If you have strong computer skills, love a variety of administration tasks and want experience in an office environment, this may be for you!

A typical day may be using the internet to research some program opportunities, designing, printing and laminating material, developing resources using boardmaker or creating visuals for our programs.

This opportunity is for one day per week.

Volunteers are people just like you!
This is your chance to make a difference.
