

## Kindergarten teacher support online community chat

**The Preschool Field Officer (PSFO) team have created a Microsoft TEAMS chat platform for Early Childhood Teachers (ECT) to connect with one another and with the PSFO program.**

The TEAMS group chat is a capacity building tool for kindergarten teachers, to share knowledge, practical ideas and post questions about early childhood development, inclusion of all children and disability support within the kindergarten group.

Individual children - all concerns please refer directly to PSFO program [psfo@pinarc.org.au](mailto:psfo@pinarc.org.au)

In this group you will have access to:

- current PSFO referral form
- PSFO resources such as early intervention referral links
- the opportunity to explore shared topics of interest
- connect with other ECT's in the area
- Practical inclusion ideas for the kindergarten.

### Delivery:

Early childhood teachers are encouraged to access the chat regularly (e.g. once a week) throughout the kindergarten year.

### To access online chat:

You will be required to provide a direct email address that you can personally access to the PSFO team, please email your details (name, service/ kindergarten program) to [psfo@pinarc.org.au](mailto:psfo@pinarc.org.au)

### Platform:
