

Ballarat Parent Carer Connect

A group for parents and carers of children with disabilities and additional needs who want to be more active and socially connected.

We aim to try a range of activities that will get us moving in fun ways, but this is not a boot camp. Activities may include walks, frisbee golf, social badminton.

All parents of children (and adults) with disabilities are welcome. You do not have to be using any other Pinarc services. Let's support each other to be more active. Bring a friend if that will help get you be even more motivated.

Dress for the weather and bring a water bottle.

The Pinarc Parent Support Program is supported by the Victorian Government.
